## ***Oli Walker's Walk for Africa***

### **International Humanitarian Fundraising Initiative**

**Organized by:** Lions Club Adelma von Vay, in collaboration with Lions District 129 Slovenia, Oliver Tič – *Oli Walker and Lions club International Foundation - LCIF.*

### **Project Vision**

The Oli Walker's *Walk for Africa* is an international humanitarian initiative launched by **Lions Club Adelma von Vay, Lions District 129 Slovenia**, lion and world traveler **Oliver Tič – Oli Walker**, as part of his legendary *Walk Around the World*.

The campaign's purpose is to **mobilize individuals, companies, and organizations around the world** to support humanitarian activities in Africa by **donating per kilometer walked** by Oliver on his journey.

### **Oli's Global Journey**

Oliver Tič, better known as *Oli Walker*, is a **member of Lions Clubs International** walking around the world to promote friendship, solidarity, and humanitarian values.

Since 2016, Oli has walked through **North, Central, and South America**, from **Ushuaia (Argentina)** to **Deadhorse (Alaska)**, and across **Europe** from **Slovenske Konjice** through **Turkey, Iran, and Portugal** — completing over **32,122 km** so far.

On **29 October 2025**, Oli began the next chapter — a **two-year, 15,000 km walk across Africa**, starting in Tangier northern Morocco and continuing toward Cape Town, South Africa.

## How the Fundraising Works

The *Walk of Friendship for Africa* invites everyone to become part of this historic journey by pledging a donation **per kilometer walked** by Oli.

Donors can choose their level of support:

 <b>Silver Donor</b>	0.01 EUR/km	Supporter	<b>321.22 EUR</b>
 <b>Bronze Donor</b>	0.001 EUR/km	Friend of the Journey	<b>32.12 EUR</b>

Each donor will receive a **personal confirmation** including:
